## Section 2 - Procedure

### 2.1 Reporting Modern Slavery and Human Trafficking Concerns

The following procedure must take place where there are any concerns that someone is a victim of modern slavery or human trafficking. Fabufacture Ltd must ensure that staff are aware that victims of modern slavery or trafficking will often not self-identify. Many will present with a different issue.

- 1) A concern is identified - this could be a Client as a victim or perpetrator, or a Client informs us of a concern they have
- 2) If an individual is, or group of people are, in immediate risk of danger or harm, the police must be immediately notified on 999

### 2.2 Safer Recruitment

All staff engaged with providing services at Fabufacture Ltd will be subject to thorough and rigorous recruitment procedures that will include a DBS check, identity check, confirmation of validity to work in the UK, employment history, suitability for the role and references. This will minimise the chance of employing a person that has been, or is subject to, slavery or human trafficking. Fabufacture Ltd will follow PR16 - Right to Work Checks Policy and Procedure to ensure that a robust and fair process is followed at all times.

2.3 Fabufacture Ltd will only use staff provided by third-party organisations (such as agencies) that are either registered with the regulator or who can confirm that the staff being supplied are free to work in the UK and meet all the requirements for the role being provided for.

## 2.4 Training

All staff will undertake training on Modern Slavery and Human Trafficking. This will ensure that they are aware of the indicators of modern slavery which include:

- Individuals not being paid for the work they undertake
- Individuals being held in debt-bondage (being told they “still” owe money after having paid off a previous debt)
- An individual’s passport being held by their “employer” in order to keep the individual at work
- Multiple benefit claimants having their benefits being paid into the same account
- An individual not having the freedom of movement (i.e. passport being taken)
- Clear exploitation of an individual by another for financial or sexual gain
- Shows signs of physical or psychological abuse, look malnourished or unkempt, anxious/agitated or appear withdrawn and neglected. They may have untreated injuries

- Unusual travel arrangements - children being dropped off/picked up in private cars/taxis at unusual times and in places where it is not clear why they would be there
- Avoid eye contact, appear frightened or hesitant to talk to strangers and fear law enforcers for many reasons, such as not knowing who to trust or where to get help, fear of deportation, fear of violence to them or their family

2.5 Staff will be advised that if they are subject to slavery or human trafficking, if they are aware of any individual that may be subject to slavery or has been trafficked, or if slavery or human trafficking is disclosed to them, they must inform the Registered Manager of Fabufacture Ltd or the police.

### **2.6 Modern Slavery Annual Reporting during COVID**

The Government guidance states that under section 54 of the Modern Slavery Act 2015, certain businesses are required to publish an annual modern slavery statement setting out the steps they have taken to identify and address their modern slavery risks. During the coronavirus pandemic, it is essential that Fabufacture Ltd continues to identify and address the risks of modern slavery in operations and supply chains. As well as focusing on the health and safety of workers, Fabufacture Ltd will consider how fluctuations in demand and changes in the operating model may lead to new or increased risks of labour exploitation.

If Fabufacture Ltd needs to delay the Modern Slavery statement

The challenges presented by the coronavirus pandemic may mean that Fabufacture Ltd will not be able to publish the statement within the usual timeframe. Where Fabufacture Ltd needs to delay the publication of the modern slavery statement by up to 6 months due to coronavirus-related pressures, Fabufacture Ltd understands that we will not be penalised. In the statement, Fabufacture Ltd will state the reason for any delay.

### **2.7 Recruitment risks during COVID-19**

Some suppliers may be seeking to recruit additional workers in order to meet increases in demand. Fabufacture Ltd will ensure that rigorous recruitment checks are maintained and that suppliers adhere to the same robust processes to ensure that vulnerable workers are not being exploited by third parties seeking to profit from heightened demand.

### **2.8 The Health and Safety of Workers**

As a responsible organisation, it is important that the relevant local or national government policies are implemented throughout the supply chain at Fabufacture Ltd. Fabufacture Ltd will ensure that suppliers adopt social distancing measures and pay statutory sick pay in order to prevent the spread of coronavirus as part of due diligence processes.

### 2.9 Risk Assessment during COVID-19

Fabufacture Ltd will undertake a risk assessment of how suppliers are operating during COVID-19 to highlight and help identify where there are risks of Modern Slavery or Human Trafficking occurring. A Template in the QCS Management system will be used where appropriate.

### 2.10 Review of Effectiveness

Fabufacture Ltd intends to take further steps to identify, assess and monitor potential risk areas in terms of modern slavery and human trafficking, particularly in the supply chains of our providers. We will also continue to:

Support our staff to understand and respond to modern slavery and human trafficking, and the impact that each individual working in Care can have in keeping present and potential future victims of modern slavery and human trafficking safe
